

HCC is a national non-profit that inspires and empowers undergraduate students, recent graduates, and HCC alumni, particularly those from under-represented or disadvantaged backgrounds, to choose and successfully pursue authentic healthcare and public health careers.

Our Impact

- 98%** of HCC interns are from communities of color
- 96%** of host organizations reported that HCC interns were a good return on investment
- 70%** HCC interns received job offers or extended internships with their host organizations
- 300+** organizations partner with HCC across 12 U.S. regions

Benefits of Becoming an HCC Host Organization

Advance your diversity, equity and inclusion initiatives

HCC's proven program is a tangible, immediate and cost-effective way to meet DEI goals by hosting interns from underrepresented backgrounds

Access competitive talent

HCC's talented and skilled interns add value to priority projects during the internship and are ready to become part of your talent pipeline

Advance your local health & community benefit initiatives

Enhance economic development, equity and opportunity for interns and the communities they serve
