AblePay Health Named to the Inc. 5000 List for Fourth Consecutive Year

Recognized as No. 440 overall and No. 46 in Healthcare

Allentown, PA — [8/26/25] — AblePay Health, a leading healthcare patient financial engagement company, has once again earned a place on the prestigious **Inc. 5000 list of America’s fastest-growing private companies**. This marks the **fourth consecutive year** of recognition for AblePay, reflecting its continued growth, impact, and innovation in addressing healthcare affordability and provider revenue cycle challenges.

“We are honored to be recognized by Inc. for the fourth year in a row,” said John Fistner, CEO/Founder of AblePay. “Our mission has always been to make healthcare more affordable for patients while improving efficiency and financial outcomes for providers. These rankings are a direct reflection of the trust our members, providers, and partners place in us, as well as the dedication of our team.”

The Inc. 5000 list has become a hallmark of entrepreneurial success, spotlighting the most dynamic businesses driving growth across the country. Companies named to the list are ranked according to percentage revenue growth over a three-year period.

AblePay’s innovative approach provides patients with savings and flexible payment options while reducing provider collection costs and accelerating cash flow. By addressing affordability and revenue cycle inefficiencies simultaneously, AblePay has positioned itself as a key player in reshaping the financial side of healthcare.

“As healthcare costs continue to rise, our solution has never been more relevant,” added Fistner, “We are proud to serve our communities, expand nationally, and demonstrate that meaningful change in healthcare affordability is possible.”
