

AffirmedRx is on a mission to improve health care outcomes by bringing clarity, integrity and trust to pharmacy benefit management. We are committed to making pharmacy benefits easy to understand, straightforward to access and always in the best interest of hospital systems and the lives they impact. We accomplish this by bringing total clarity to business practices, leading with a clinical approach and utilizing state-of-the-art technology.

AffirmedRx is

- A Public Benefit Corporation
- Focused on health equity in pharmacy benefit management
- Increasing member access to quality health care
- Committed to giving you transparency, data access and technology with an intelligent care-driven platform

Our Mission

Our mission is to improve health care outcomes by bringing clarity, integrity and trust to pharmacy benefit management.

What is a Public Benefit Corporation?

“Public Benefit Corporations exist to undo some of the damage done in the past by callous, money-driven corporations, and to help people take responsibility for themselves, their companies and their planet.”

UpCounsel, *“Public Benefit Corporation: Everything You Need to Know”*

AffirmedRx is not another profit-driven PBM – we are a patient centric, clinically-focused pharmacy benefit manager.

The Problem:

Health Systems do not have control over...

Formulary

Utilization

Network

Pass-Through

AffirmedRx is your Solution

Design and maintain your own formulary based off your lowest net cost medications

Develop your own utilization management programs and prior authorization criteria

Conduct your own prior authorization process, including appeals

Drive pharmacy claim volume to your system-owned pharmacies

Minimize PBM and network pharmacy spread, thereby keeping funds within the health system
