

## Patients over Profits

AffirmedRx is on a mission to improve health care outcomes by bringing clarity, integrity and trust to pharmacy benefit management. We are committed to making pharmacy benefits easy to understand, straightforward to access and always in the best interest of employers and the lives they impact. We accomplish this by bringing total clarity to business practices, leading with a clinical approach and utilizing state-of-the-art technology.

**We promise to do what's right. Always.**

## affirm

[ə'fərm] Verb

The word affirm represents our commitment to being a trusted partner to members and their communities facing the ever-changing path of health care and pharmacy needs. Defined as "assert strongly and publicly, declare support for, uphold, confirm validity of and offer support or encouragement," affirm encapsulates our purpose: to bring a patient-centric approach to pharmacy benefit management supporting self-funded employer groups and their members.

## AffirmedRx is

A Public Benefit Corporation

Focused on Health Equity in pharmacy benefit management

Uniquely positioned to meet the pharmacy benefit needs of self-insured employers

Looking to partner with like-minded organizations to lead industry change

Pharmacy is the fastest rising cost in health care. Traditional pharmacy benefit programs offer variable clinical quality and are increasingly opaque and expensive. Self-funded employers have asked for a solution.

**AffirmedRx is the solution.**
