BIRTH EQUITY INITIATIVE LEARNING COMMUNITY

Virtual Roundtable

June 26, 2024 | 11 a.m. - 12 p.m.

Join the upcoming Birth Equity Learning Community Roundtable hosted by Communities Lifting Communities (CLC) and HASC, as part of the Diversity, Health Equity and Inclusion Roundtables.

The **MemorialCare Miller Children's and Women's Hospital Long Beach** team will discuss their latest successes and strategies in promoting birth equity within their organization and community.

Speakers

- Rev. Candace Kelly, D.Min., M.Div., GC-C, BCC, Women's Hospital and NICU
- Sherilyn Kelly, Executive Director, Women's and Neonatal Services
- Lauren M. Yu, MD, OB Hospitalist

Participants will also have the chance to network with peers, share best practices, and collaborate on innovative solutions to common challenges.

Your voice and experience are crucial to these conversations, and we encourage everyone passionate about health equity to attend.

Roundtable discussions are complimentary and open to all HASC member hospitals.
