

BIRTH EQUITY INITIATIVE LEARNING COMMUNITY

Communities Lifting Communities (CLC) and HASC, as part of the Diversity, Health, Equity, and Inclusion Roundtables, will be hosting a Birth Equity Learning Community that will showcase best practices from member hospitals in the HASC Region. The roundtable discussions will focus on:

- Highlighting best practices in accelerating birth equity from HASC member hospitals.
- Provide a peer-to-peer learning experience and space for conversation.
- Discuss efforts to integrate birth equity with the hospital's work in community health.
