

Charge Nurse Leadership Development

Charge Ahead:
Master Leadership as
a Nurse Manager

OVERVIEW

If you’re a registered nurse in a management or supervisory role, this course is for you. The topics are designed to facilitate nurses’ growth and development as unit leaders. Facilitator Mark Kaliher, RN, will cover advanced leadership strategies, communication techniques, setting priorities and managing conflict. You’ll take part in interactive group exercises with practice scenarios to apply your new skills.

Following this course, you’ll be able to:

- Identify three key managerial functions of charge nurses.
- Describe how to assess patient care needs and match them with staff skills and abilities.
- Understand the steps in managing conflict.
- Discuss the importance of relationship management skills in communicating across departments.
- Explain differences between managing and leading.
- List the benefits of functioning as a team.

Who Should Attend?

Charge nurses looking to develop their leadership skills.

Facilitator

Mark Kaliher, BSN, MSN, RN has over 20 years of nursing experience, primarily in the emergency department. He currently works as a charge nurse at Bear Valley Community Hospital in San Bernardino County. Kaliher has experience working with a variety of teams through many years of registry work and critical care transports. For the past 10 years, he has also led courses through FlexEd and HASC, becoming one of their most requested instructors. Students consistently say he’s able to take complicated concepts and make them easy to understand. His humor and passion for nursing make each course an enjoyable experience.
