Hospital Association of
Southern California (HASC)
and Flex Ed

Session Description

This course is designed for registered nurses in leadership roles. The topics will facilitate nurses' growth and development as unit leaders. Advanced leadership strategies, communication techniques, priority setting and conflict management will be discussed. Attendees will take part in in group exercises with practice scenarios.

Course Objectives

Following this course, attendees will be able to:

- Identify three key managerial functions of charge nurses.
- Describe how to assess patient care needs and match them with staff competencies and abilities.
- Understand the steps in managing conflict.
- Discuss the importance of relationship management skills in interdepartmental communication.
- Explain differences between managing and leading.
- List benefits of functioning as a team.

Who Should Attend?

Charge nurses looking to develop their leadership skills.

Faculty

Mark Kaliher has over 20 years of nursing experience, primarily in the emergency department. He currently works as a charge nurse at Bear Valley Community Hospital in San Bernardino County. Kaliher has experience working with a variety of teams through many years of registry work and critical care transports. For the past 10 years, he has also led courses through FlexEd and HASC, becoming one of their most requested instructors. Students consistently say he's able to take complicated concepts and make them easy to understand. His humor and passion for nursing make each course an enjoyable experience.
