

Health Benefits and Wellness Program (HBWP)

Encourage your employees to use your hospital's in-house and in-network services

Offer a plan that encourages your employees to use your hospital's in-house and in-network services. The Health Benefits and Wellness Program (HBWP) provides employee benefit plans with a multi-tiered network.

Works seamlessly with your own broker and third-party administrator (TPA)

Designed to meet your needs, HBWP plans offer you proven flexibility. HBWP programs are broker and

TPA-agnostic and offer plans for both self-insured and fully-insured hospitals.

Additional program benefits

- Customer service professionals will guide employees to domestic usage
- Gain access to reporting information, including:
 - **Benefit benchmarking** – blinded comparison of benefits with competing hospitals.
 - **Utilization reporting** – easily compare inpatient, outpatient and professional usage on a relative basis to other hospitals.
 - **Domestic utilization reporting** – for a comparison between domestic utilization and peer facilities handled properly.
