Impact Hiring: Leveraging Military Talent for Hospitals & Health Systems

Virtual Roundtable

April 3, 2025 | 11 a.m. - 12 p.m

Jennifer Lynn, CMVR, RACR, RACS, MSHRM,
Program Manager, Military Talent
Cedars-Sinai

Corina Coronel
Deputy Director of Program Operations
Southeast Los Angeles Workforce
Development Board

Join Communities Lifting Communities, the Hospital Association of Southern California, ACHE of Southern California and Women in Health Administration of Southern California for an insightful discussion on how veteran recruitment can help build a stronger and more resilient health care workforce.

Gain actionable strategies to recruit, integrate and develop veterans transitioning into health care roles. Learn from industry experts as they share best practices, success stories and innovative approaches to creating a military-inclusive workforce.

- Identify effective strategies for recruiting and onboarding veterans into health care roles.
- Explore best practices for fostering a military-inclusive workplace culture.
- Understand how a veteran workforce can enhance patient care and organizational resilience.
- Share and discuss emerging strategies to strengthen workforce pipelines.

Be part of the discussion and share your emerging strategies!
