

Q2 - 2026

This Q2 Settlement Update highlights current and emerging class action matters that may present recovery opportunities for your organization. As your revenue recovery advisor, MCAG continuously researches, monitors, and evaluates class action settlements—alerting you when action may be required to protect or recover funds on your behalf. Our team is always available to discuss how current, past, and future settlements may impact your business, and we are proud to serve as your trusted settlement navigator.

To support our ongoing monitoring efforts, please forward any settlement notices or solicitations you receive—from any source—to MCAG for review and analysis. We welcome your questions, comments, and conversations throughout the year.
