The Paul Merage School of Business has a long-standing commitment to diversity and inclusion and is the number one business school in the world for percentage of female faculty (Financial Times, MBA 2019). For this program, UCI has partnered with the Hospital Association of Southern California (HASC), a historically strong hospital trade association with a commitment to education. Please join us as our distinguished faculty, executive leadership coaches and C-level executive panelists discuss:

- Creating A Personal Vision and Charting the Way Forward
- Negotiation Techniques for Women in Health Care
- Power Presence, Influence and Credibility
- Lead Your People & Performance Through Uncertainty
- Women on Health Care Boards
- From Ally to Action: Another Seat at the Table
- A Culture of Empowerment

Program is designed for women seeking to advance their career through leadership, influence, communication and confidence and for professionals of any gender identity who support the advancement of executives who identify as women. Program subject to change; for the most up-to-date information, or to register, please visit: merage.uci.edu/hasc/womens-leadership.html
