

8 Week CNA + Phlebotomist Training

This program combines all Certified Nursing Assistant instruction with Phlebotomy instruction and training. This program meets all requirements for students to become a California licensed phlebotomist (CPT 1). The program will introduce students to the field of phlebotomy and provide them with basic and advanced skills in both theory and clinical practice, and prepares student to take the National Certification Exam by the National Center for Competency Testing (NCCT). This program has been approved by the California Department of Public Health.

Meeting vaccination mandates are required of all participants.

Orientation: February 18th
Class begins: February 28th
**Certification with chance
for apprenticeship**

No cost to those who are eligible for services.

Contact: Tara or Vanessa at (562) 402-9336
