2022 ► HASC Annual Meeting

May 16-18, 2022 | Park Hyatt Aviara Resort

Our first in-person Annual Meeting since 2019

Please join us

Dear Colleague,

Please join us May 16-18 for HASC's Annual Meeting, a gathering for Southern California's health care leaders. *The Path Forward* will take place at Park Hyatt Aviara Resort, Carlsbad, CA. We're looking forward to gathering with the membership for the first time since 2019. It's going to be a great reunion! Please register at your earliest convenience.

Our speakers are visionaries and leaders who will provoke thoughtful discussion on how we can evolve and work together to shape our future.

This meeting attracts 500 attendees annually including 75 hospital CEOs and system executives, 125 c-suite executives, sponsors, family members and guests. The event features a packed agenda including renowned speakers, Face-to-Face ACHE credit, an event for guests and several networking events. It's a great opportunity to meet with your peers in a relaxed environment.

For the benefit of all participants, HASC will require that all attendees — members, guests, faculty, sponsors and family members — be fully vaccinated. Logistics are being developed to make the proof-of-vaccination process as easy and convenient as possible. All events will be conducted subject to the guidance of state and local boards of health and public health standards.

This is the one event you need to attend annually.

Sincerely,

STANDING AT THE EDGE—FINDING FREEDOM WHERE FEAR AND COURAGE MEET

Roshi Joan Halifax, PhD wants to create a more caring world where moral resilience replaces uncertainty and burnout. Through personal stories from her work with patients, families and caregivers, she will challenge us to better understand the nature of suffering and the human desire to end it. She will help us see what stops us from being compassionate and what conditions are needed to grow compassion, empathy and resilience among caregivers.

HEALTH CARE IN CALIFORNIA AND THE NATION—THE PATH FORWARD

Join us to hear **Carmela Coyle**, President & CEO, California Hospital Association and her insight on major public policy actions and priorities. Coyle led the Maryland Hospital Association for nine years, where she played a leading role in reframing the hospital payment system in Maryland and moving to a value-based methodology. Maryland is now considered a national leader in health care policy and innovation.

MIRACULOUS: THE AUSTIN HATCH STORY

Austin Hatch is a two-time plane crash survivor and inspirational speaker. Join us to hear his amazing story about pressing on after losing his family in aviation disasters in 2003 and 2011. His dream to play basketball for the University of Michigan was put on hold while he recovered and re-learned to walk, talk and basically live his life.

Today Hatch is a graduate University of Michigan, a former member of the University basketball team and a full-time speaker with a inspiring message about thriving in the midst of adversity. Hatch considers himself blessed to survive and share his emotional story.

NOT THE NEW NORMAL BUT EVEN BETTER

(Three ACHE Face-to-Face credits awarded)
In this workshop **Kevin O'Connor** will take us beyond the anxiety-producing “new normal” to a world where we can create more places with more control, independence and solutions. We’ll look at our responses to factors out of our control and develop a personal plan for practicing skills to move forward. We’ll also address the leadership skills needed to better engage a team or family around these circumstances.

O’Connor was a memorable speaker at our 2021 annual meeting and he’s back presenting new content.
