

# 2023 HASC Annual Meeting: Call for Presentations

May 17–19, JW Marriott Desert Springs Resort & Spa, Palm Desert

## Overview

What is your hospital or health system doing to continually improve health care quality and adapt to the evolving delivery environment? Have your pandemic response efforts led to innovations that could benefit fellow colleagues? Are you willing to showcase your leading-edge work? HASC invites you to present your hospital's achievements at the 2023 Annual Meeting.

We're looking for breakout presentations that will inspire discussion, encourage engagement and promote learning. Specifically, we'd like to showcase replicable models in areas of interest to CEOs, executive teams, physician leaders and trustees. Your creative solutions are important to HASC members.

## Suggested Topics

How has the COVID-19 pandemic impacted your institution in these areas, and what are you doing to address the issues?

- Workforce
- Finance
- Safety
- Supply chain
- Social and health equity
- Substance abuse
- Other area(s)

## Presenters will:

- Provide a high-quality, 50- to 60-minute educational presentation
- Discuss your project's challenges and successes
- Engage attendees through audience participation and discussion

## HASC will:

- Provide a showcase for your organization's innovative work and promote it to Annual Meeting attendees
- Assist presenters as needed
- Coordinate with presenters on audio-visual equipment and setup needs
- Provide complimentary registration for the Annual Meeting

## Submitting Your Proposal

The HASC Annual Meeting team values your time and interest in submitting a proposal. Our selections will center around content intended for the C-suite, physician leadership and trustee audience. Please note that presentations mainly selling products or services will not be considered.

**Proposals are due Wednesday, December 14.** We will review your submission and respond to you by Thursday, January 31, 2023. To submit your proposal, please send a Word document with the following information to [annualmeeting@hasc.org](mailto:annualmeeting@hasc.org):

- Your name, title, email and phone
- Organization name
- Presentation title
- Speakers for this session
- Project description
- What issues does the project aim to address?
- What challenges have you encountered?
- How have you managed adoption and sustainability?
- What were the outcomes?
- Top three takeaways from the project

Thank you! We look forward to hearing from you.
