

2023 DIVERSITY IN HEALTH CARE SCHOLARSHIP AND STIPEND PROGRAM

Do you work for a Hospital Association of Southern California (HASC) member hospital and want to further your health care career? Apply for the 2023 Diversity in Health Care Scholarship and Stipend Program!

The program is open to applicants employed by a HASC member hospital for at least one year, and to College to Career Diversity Internship Program (CDIP) interns matched with HASC hospitals. Awards will be based on available funding, with preference for applicants from communities historically underrepresented in health care.

APPLICATIONS DUE JUNE 14
